Parents/Guardians: Please consider being a Coach or Asst. Coach for your childs team. This league is only possible by volunteers like you. There will be an informal "instructional" course, handout materials, and help for anyone who is willing to take part in their childs learning experience. Being a coach is a great way to have a positive influence on your childs life while promoting civil/community responsibility.

The Raider Youth Soccer Assoc. will offer youth soccer leagues this fall for children ages 4-14. We will not determine age groups until all registration forms have been received. We will have leagues as long as enough children register to play.
We plan on forming teams in July, and league play will begin in September. Coaches will determine practice times, and most games will be played on Saturdays. WATCH FOR FREE PRESEASON SOCCER CLINICS !!!

LATE REGISTRATION: If you register late (after May 28, 2010). you WILL be put on a waiting list until all teams have filled. At that time, the commissioner for that age/grade bracket will distribute the players on the waiting list to the teams with the least amount of players. This method is to help each team be as balanced as possible and not to allow coaches/parents to "build" a team unfairly. This is a community league and is meant to give all players a fun and positive experience..

PLEASE CONSIDER BEING A COACH OR ASST. COACH-
MORE COACHES = MORE TEAMS = LESS CHILDREN PER TEAM = MORE PLAYING TIME PER CHILD.
