WINTER 2010

## HAPPY HOLIDAYS

Beginning with your November water bill you will have the option of making a charitable donation to the United Way of St. Francois County by filling in an amount on the contribution line of your monthly bill and adding that amount to your payment. A donation does not obligate you to a donation schedule; you can give if and when you want to. Here's what to look for beginning with your November bill.

The United Way of St. Francois County raises money to fund agencies in St. Francois County that meet basic human needs. There are 28 supported agencies in the 2010-2011 Campaign. The United Way of St. Francois County makes sure your donation is well spent. Their all volunteer board works on a year-round basis to ascertain community needs and evaluates the programs and services offered by the twenty eight agencies funded. Only you, and thousands of good citizens like you, can help the United Way succeed. Think of all these human care services as insurance benefits - here when you need them.

## PUTTING UP A FENCE?

Plan on putting up a fence? A fence permit is required from the City. Property owners will need to either get permission from their neighbors in the form of a letter or a legal survey.

The cost of a fence permit is \$15.

For questions or more information, contact Desloge City Building Inspector Bryan Cato at City Hall, 573-431-3700.

A free listing of permit requirements are available in the lobby of Desloge City Hall, 300 N. Lincoln Street.

You can find basic building, construction code, permitting and setback information at [www.desloge.com](http://www.desloge.com).

## IMPROVEMENTS AT BRIGHTWELL PARK

Summertime may seem a distant memory, but city crews are already preparing for next baseball season at Brightwell Park. Installation of a new play structure is underway near Field #2 and asphaltting around the backstops at Fields #1 and #3 should make a day at the ballpark a little more enjoyable!

## UPGRADES FOR PUBLIC WORKS

The Board of Aldermen have approved a number of improvements and upgrades for the Public Works Department, including a new salt spreader, additional space at the City Barn and a tractor and boom mower.
